IN THE MATTER of the Court Orders
dated the 27th November 2008

AFFIDAVIT OF ALLAN ROBERT BELL

I, ALLAN ROBERT BELL, of Ballabeg, Bride, being sworn make oath and say as follows:-

1. I am the Minister of the Treasury, a Department of the Isle of Man Government.
2. Where they refer to factual matters directly within my knowledge the contents of this Affidavit are true. The other matters to which I depose in this Affidavit I verily believe to be true to the best of my knowledge, information and belief.
3. I swear this Affidavit in compliance with paragraph 5 of the Order of this Honourable Court made on the 27th November 2008 and in order to make this Honourable Court

aware of certain steps taken by the Isle of Man Government in connection with Kaupthing Singer & Friedlander (Isle of Man) Limited in provisional liquidation (KSFIOM). This Affidavit supplements an Affidavit which I am given to understand has been sworn by David C Lovett of Alix Partners Limited, a business advisory firm which has been retained by Treasury to provide advice in relation to KSFIOM. The Affidavit sworn by Mr Lovett contains an update of the proposal that a Scheme of Arrangement be made between KSFIOM and its creditors in accordance with the procedure set out in section 152 of the Companies Act 1931.

4. In the course of the proceedings before this Honourable Court on the 27th November 2008 it was indicated that the Treasury proposed to bring forward a Scheme which would provide an early payment to the depositors of KSFIOM. There is now produced and shown to me marked "ARBI" a true copy of the Kaupthing Singer and Friedlander (Isle of Man) Limited Early Payment Scheme (the Scheme) which has been developed by the Treasury following the approval in principle of the Scheme at the sitting of Tynwald on the 17th December 2008 and the transfer from the Reserve Fund to the General Revenue Account of a sum not exceeding £11 million to meet the anticipated expenditure of the Scheme. When moving the principle of the Scheme in Tynwald I acknowledged that a commitment had been given to the Court that Government would endeavour to provide an Early Payment Scheme to depositors of KSFIOM in advance of any interim liquidation dividend, payment from the Depositors Compensation Scheme or any other source that may subsequently be identified.
5. The Scheme sets out, inter alia, the purpose of the Scheme, defines those who are eligible and ineligible to receive an early payment and prescribes the procedure for making a claim. I would emphasise that the Scheme is quite separate from the Depositors Compensation Scheme constituted under the Compensation of Depositors Regulations 2008 but it is important that provision is made to prevent an account holder from making a double recovery, that is receiving an early payment under the Scheme and a payment from the Depositors Compensation Scheme (if activated), the provisional liquidators of KSFIOM, a liquidator of KSFIOM, or from any other person under a Scheme of Arrangement or compromise under section 152 of the Companies Act 1931.

The maximum amount payable under the Scheme is the lesser of:-

- a. the aggregate sterling equivalent of the balance on all deposit accounts of an account holder, including accrued interest to close of business on the 8th October 2008; and
- b. £1000.

The Scheme is to be administered by the Treasury and comes into force subject to approval by Tynwald. It is intended that a Motion to approve the Scheme will be moved by me at the sitting of Tynwald this month.

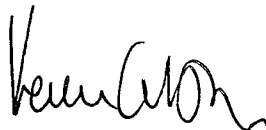

6. In the course of the said proceedings on the 27th November, Kaupthing Bank hf applied by Notice of Motion to be released from the jurisdiction of this Honourable Court. On the 17th September 2007 Kaupthing Bank hf executed an Undertaking by which it guaranteed to discharge the liabilities of KSFIOM insofar as KSFIOM was unable to discharge such liabilities as had been validly asserted out of its own assets. There is now produced and shown to me as exhibit "ARB2" a copy of the said Undertaking dated the 17th September 2007. The Undertaking was to remain effective whilst KSFIOM remained a wholly owned subsidiary of Kaupthing Bank hf and should be terminable forthwith on a disposal by Kaupthing Bank hf of all or part of its interest in KSFIOM.
7. The said Undertaking appears to be in the form of a guarantee and clearly is an important document so far as KSFIOM is concerned. On the 6th January 2009 a delegation comprising the Chief Minister, myself, the Chief Secretary, the Chief Financial Officer and the Attorney General met with the Resolution Committee of Kaupthing Bank hf. The Resolution Committee now represents the Board of Directors of Kaupthing Bank hf. A court procedure pursuant to the laws of Iceland is now in place which has resulted in a moratorium being imposed on the activities of Kaupthing Bank hf which is an insolvent company. The Court has a duty to ensure that the interests of creditors are protected so that the Resolution Committee cannot take any material step without the approval of the Court.

In the course of the meeting with the Resolution Committee it was explained that the Undertaking is essentially a contract between the parent company and its subsidiary KSFIOM. The Committee is awaiting legal advice from Iceland as to the validity of the document but it was made clear that it was unlikely that the Undertaking could be considered to provide a source of payment to KSFIOM at this stage. Rather, it would seem that the Undertaking is to be regarded as a remedy of last resort when all other remedies have been exhausted.

8. As I made clear in the debate in Tynwald when moving the approval in principle of the Scheme, the Government was very appreciative of the additional time which had been allowed by this Honourable Court to enable solutions to be developed with a view to providing the best return to all depositors of KSFIOM. A number of options have been considered and continue to be considered based on the professional advice Treasury has received from Alix Partners. I confirm that a considerable amount of work has been undertaken by Government and a number of potential options ranging from the sale of the assets of KSFIOM to a restructuring of its business have been considered. Regular meetings of a high level working group comprising the Chief Minister, the Minister of the Department of Health and Social Security and myself supported by officers continue to be held and we are currently giving detailed consideration to a report prepared by Alix Partners which sets out the feasibility of possible actions in relation to KSFIOM including a proposal that a Scheme of Arrangement be made between KSFIOM and its creditors. The said report is subject to legal professional privilege and confidentiality obligations and the fact that such report is referred to herein is not intended to waive such privilege.
